Service Title: Holding In-Person Specialized Exhibitions at the National Library and Archives		Service ID: 17022293100	
Service Type: <input checked="" type="checkbox"/> Government to Citizen Service (G2C) <input type="checkbox"/> Government to Business Service (G2B) <input type="checkbox"/> Government to Government Service (G2G)			
Service Description: Specialized exhibitions showcase prominent items from various departments of the National Library and Archives of Iran, including manuscripts and ancient texts, periodicals, calligraphic collections, non-book materials, archival documents, and artworks, all of which are displayed for public viewing. These exhibitions, reflecting the richness of the organization's collections (which include materials preserved under special conditions), are held seasonally and rotated in accordance with specific historical occasions. Thematic exhibitions showcase selected items, individually or as part of a collection, for researchers and enthusiasts, aligned with historical, scientific, cultural, political, and social events. The duration of these exhibitions may vary depending on the condition and value of the items, as well as the level of audience interest.
